OFFICE OF PETITIONS

In re Application of
Don A. Andrews, et al.
Application No. 09/895,424
Filed: June 29, 2001
Attorney Docket No. 010134

ON PETITION

This is a decision in response to the petition, filed March 2, 2007, to revive the above-identified application under the provisions of 37 CFR 1.137(b).

The petition is **GRANTED**.

The application became abandoned for failure to reply within the meaning of 37 CFR 1.113 in a timely manner to the final Office action mailed March 30, 2006, which set a shortened statutory period for reply of three (3) months. No extension of time under the provisions of 37 CFR 1.136(a) was obtained. A Notice of Abandonment was mailed on January 2, 2007. In response, on March 2, 2007, the present petition was filed.

It is noted that petitioner submitted a fee of \$500 for consideration of this petition. Since the requisite petition fee is \$1,500, the \$1,000 balance of the petition fee is being charged to counsel's deposit account as authorized. Further, extensions of time under 37 CFR 1.136 are available only if asked for prior to or with the response. In no case, however, may an applicant respond later than the maximum time period set by statute. Accordingly, if the question of abandonment arises when the provisions of 37 CFR 1.136 can no longer be used, then the application is abandoned when the unextended time for response has expired. Since, no extension of time fees are due on a petition for revival, the \$1,020 extension fees submitted with this petition are being credited to counsel's deposit account.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of an amendment; (2) the petition fee of \$1,500; and (3) an adequate statement of unintentional delay.

This application is being referred to Technology Center AU 2154 for appropriate action by the Examiner in the normal course of business on the reply received March 2, 2007.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3204. Inquiries relating to further prosecution should be directed to the Technology Center.
